## Amendments to the Claims:

This listing of claims will replace all prior versions, and 'listings, of claims in the application:

## Listing of Claims:

(previously presented) An insert for a door storage compartment, the insert comprising:

a frame enclosing at least one chamber and having a first Upon appeal side and an attachment device disposed at said first side, said attachment device provided for attaching to the door storage compartment, said frame having a second side with at least one indentation formed therein for fixing an object located outside of said frame.

- 2. (original) The insert according to claim 1, wherein said second side is disposed opposite said first side.
- 3. (original) The insert according to claim 1, wherein said frame is flexible, at least in an area of said second side.
- 4. (original) The insert according to claim 1, wherein said frame has a third side and is rigid at least in an area of said third side, said third side oriented transversely with respect to said first side.
- 5. (original) The insert according to claim 1, wherein said frame forms at least two chambers; and further comprising a web separating said two chambers from one another, and said web is connected to only one of said first and second sides.
